Social Style
Assertive

How do I get what I want?
I didn't get what I wanted
What's the right way to do this?

Conflict Style
Competency

Blind Spots
not seeing…

Alternative perspective due to over confidence.

Failure and criticism and conversations about this

Coming across as rushed, impatient, dismissive

Can lose touch with who they are

Defense mechanism
Identification

Image becomes over identified with achievements, work, success until they believe they are what they do.

Efficient

Can you do these tasks?
I'll have that done before lunch

Ambitious

No problem!

Adaptable

Let's do this instead. That should work.

Qualities

Driven

If I get that degree and then work a few years and then get promoted…
Life Coach

Results oriented

That's not good enough
I can do better
